

Tenemos un cuento  
Que te queremos  
contar...

A descubrir  
las matemáticas  
Vamos todos a jugar

Hay una cruz  
Que te ayuda  
a sumar

¿Cómo se llama  
este signo  
Con el que  
puedes agregar?

Tengo **1** flor a la que  
otras flores voy a sumar y  
así hasta **10 flores**  
vamos a llegar.

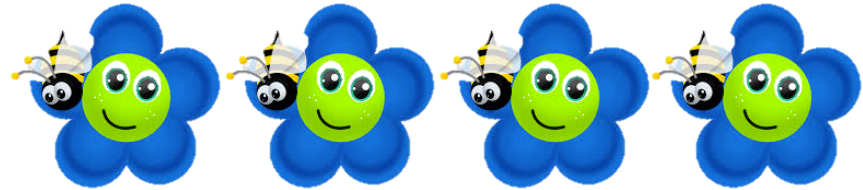

$$\text{Flower with Bee} + \text{Flower with Bee} =$$

$$1 + 2 = 3$$

A visual equation representing the addition of 1 and 3. On the left, there is one blue flower with a green center and a smiling face, with a small black and white bee on its left petal. This is followed by a large blue plus sign. To the right of the plus sign are three identical flowers with bees. This is followed by a brown equals sign.

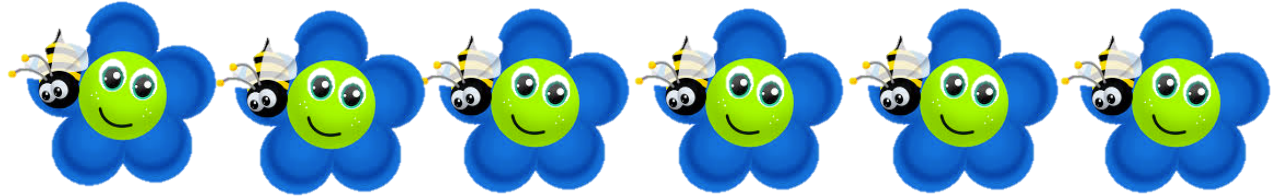

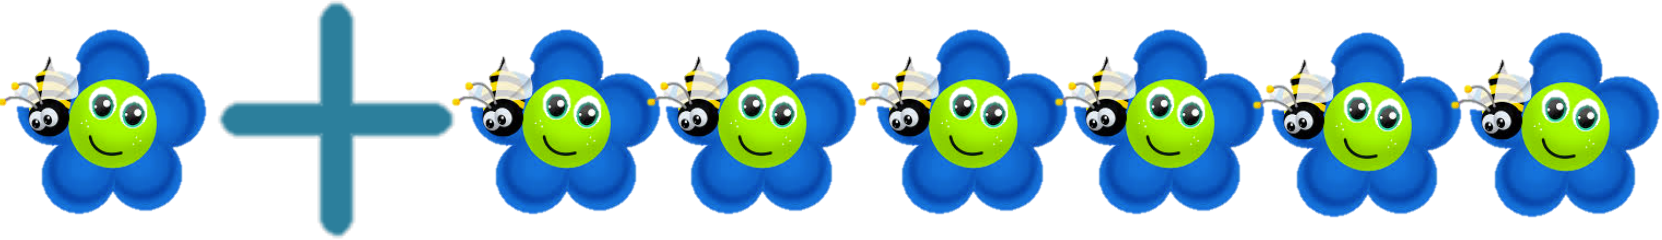

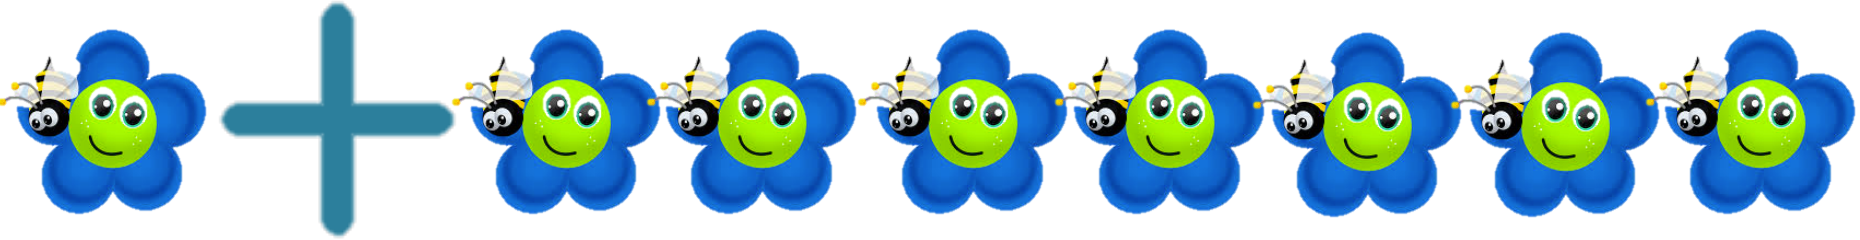

$$1 + 4 = 5$$

$$1 + 5 = 6$$

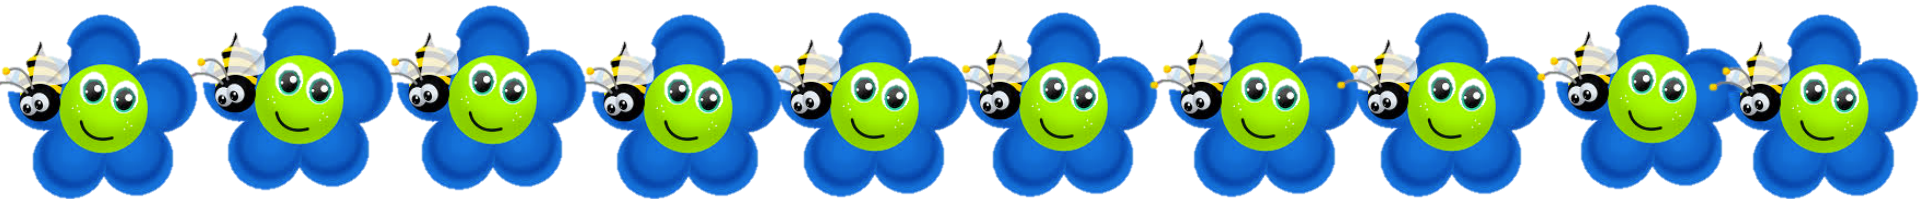

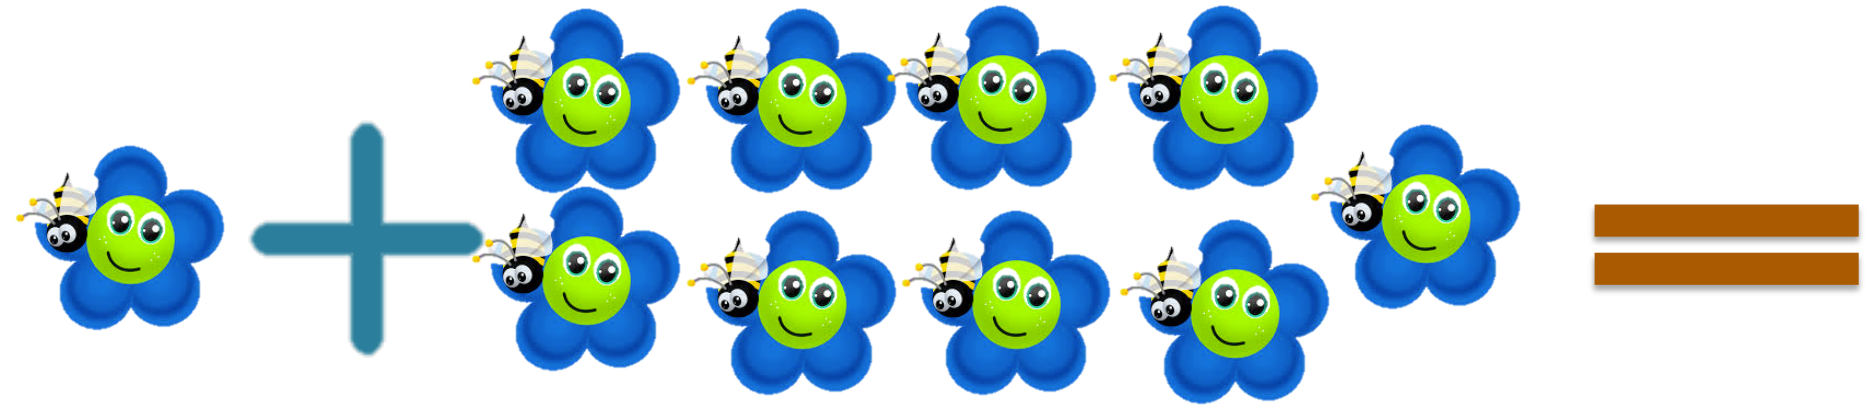

A visual equation illustrating the addition of 1 and 8. On the left, there is one blue flower with a green center and a bee on its stem. To its right is a large blue plus sign. Further right are eight identical flowers arranged in two rows of four. To the right of these flowers is a large brown equals sign.

Llegaste al 10
